

Bad Day

The Slow Show

We'll take it down, take it downtown
And you can dance with me
We'll take a pill, we'll take a pill please
And we can dance, we can dance till 3

This is okay, hey?
I'm just having a bad day!
This is okay, hey?
I'm just having a bad day!

We danced till we saw morning
We saw the morning and the sea
You took me down, you took me down, you took me downtown
Baby, you're a thrill. Baby, you're a dream, to me

This is okay, hey?
I'm just having a bad day!
This is okay, hey?
I'm just having a bad day!
