

# Don't Get Me Started

## The Smile

I'm not the killer  
Don't get me started  
I'm not the villain  
Choose someone else  
You don't get to

Nothing is triggered  
Nothing is solid  
Oh, don't pull me backwards  
You don't get to

And your force means nothing  
And your force means nothing  
And your force means nothing  
And your force means nothing

You don't get to  
Don't get me started

You don't get me  
You don't get me  
You don't get me  
You don't get me  
You don't get me  
Don't get me

And your force means nothing  
And your force means nothing  
And your force means nothing

And you don't get me
