The Smithereens

Woh-oh-oh-oh-oh

Government is killing, bustings really got quite out of hand  
No more heroes anymore since Gotti's gone to prisonland  
Sharp dressed Dapper Don, ordinary citizen  
Taking lives because you'll never ever see this kind again

Now

Good fellows, politicians, what's the difference anyway?  
Gotti is my hero, he's still rockin' in the present day  
Tell me there's no mafia, I tell you there's a Santa Claus  
If my name was Gotti I could make a bond with my own laws
