

## Indigo Blues

The Smithereens

I want you to know  
About my Indigo  
I want you to see  
Just what she's done to me

I'm talkin' to myself again  
I'm talkin' to the wall  
I've lost my self-respect again  
Got nothin' at all

And then it starts all over again  
And then it starts all over again

I want you to know  
Just what she's done to me  
I want it all told  
The way it was meant to be

I'm talkin' to myself again  
And no one at all  
I'm losin' my mind again  
'Cause of nothin' at all

And then it starts all over again  
And then it starts all over again

Here we go, baby, here we go  
Indigo, baby, Indigo

I want you to know  
About my Indigo  
I want you to see  
Just what she's done to me

I'm talkin' to myself again  
Talkin' to the wall  
I've got no self-respect again  
Got nothin' at all

And then it starts all over again  
And then it starts all over again
