

Don't Forget It (Punk)

The Snuts

Punk (ahh)

Don't forget it I'm the king of the spot
Don't forget it, don't forget it (punk)
Don't forget it I'm the king of the spot
A racecar driver and I lead at the top (let's go)
You don't believe me when I say that you're wrong (you're wrong
)
You wanna get it, wanna get it, wanna get it

A middle finger to your favourite band (fuck your band)
It's not the way you dress, it's the way that you sound (that y
ou sound)
I don't regret it when we're bringing the funk (funk)
Don't forget it, don't forget it (punk)

Don't forget it I'm the king of the spot
Don't forget it, don't forget it (punk)
Don't forget it I'm the king of the spot
A racecar driver and I lead at the top (let's go)
You don't believe me when I say that you're wrong (you're wrong
)
You wanna get it, wanna get it, wanna get it
You don't believe me when I say that you're wrong (you're wrong
)
You wanna get it, wanna get it, wanna get it

Don't forget it I've been holding the queens
Your house of cards is slowly falling it seems (I don't regret
it)
I don't regret it when we're bringing the funk (funk)
Don't forget it, don't forget it (punk)
A separation from your digital trending
Don't try to type a phrase that you could offend me
Don't try to congregate with all of your friends when
None of these problems ever start to descend me

Don't forget it I'm the king of the spot
A racecar driver and I lead at the top (let's go)
A middle finger to your favourite band (fuck your band)
It's not the way you dress
It's the way that you sound
You don't believe me when I say that you're wrong (you're wrong
)
You wanna get it, wanna get it, wanna get it
