

# Maybe California

The Snuts

We're satisfied, electrified  
Gonna make the time to see  
I'll be home and ready, babe  
Take a step outside, little peace of mind  
Gotta make a time to see  
I've been going crazy in the sun  
In the sun

We're satisfied, does it cross your mind?  
Gotta take the time to see  
You'll be home and ready, won't you please me?  
You're the only weather that could save me  
I've been going crazy in the

(Ooh) You know you wanna try  
(Ooh) You know you wanna try a  
(Ooh) Summer solstice but you can't afford it  
(Ooh) You wanna try again  
(Ooh) You wanna try again  
If it can't help me, maybe California can (Ah, ah)

You're satisfied, electrified  
Gonna make the time to see  
You've been waitin' for a revelation  
Superficial summers on vacation  
I've been waitin' for your love

He's satisfied, exemplified  
Gonna make the time to see  
I'll be home and ready, won't ya  
Take a step outside, little peace of mind  
Gonna make the time to see  
I've been going crazy in the

(Ooh) You know you wanna try  
(Ooh) You know you wanna try a  
(Ooh) Summer solstice but you can't afford it
