

Hey mama
What you gonna tell me
I can be a rock star
I can be a runaway

Hey mama
What you gonna tell me
I can be a rock star
I can be a runaway

Hey mama
What you gonna tell me
I can be a heartbreaker
Troublemaker, Sunshaker
Yeah, you better bet on me

Alive
Alive
Alive
Alive

Late December, 1994
Burst in this universe
8 pounds or more
Singing I, I'm alive

You don't wanna know know know know know
Think I gotta go go go go go
Hey mama, think I'm gonna nip off
Gonna be late for the 3 o'clock kick off

(Alive)
I'm a Novastar coming of age
(Alive)
I tell myself every day
(Alive)
I'm a rocket ship ready to fly
(Alive)
Man, oh man, I feel alive

Hey mama
What you gonna tell me
I can be a rock star
I can be a runaway

Hey mama
What you gonna tell me
I can be a rock star
I can be a runaway

Hey mama
What you gonna tell me
I could be a heartbreaker
Troublemaker, Sunshaker
Yeah, you better bet on me
Yeah you bet ya

(Alive)
I'm a Novastar coming of age
(Alive)
I tell myself every day
(Alive)
I'm a rocket ship ready to fly
(Alive)
Man, oh man, I feel alive

(I'm alive, I'm alive, I'm alive, I'm alive)
I'm a Novastar coming of age
(I'm alive, I'm alive, I'm alive, I'm alive)
Tell myself every day
(I'm alive, I'm alive, I'm alive, I'm alive)
A rocket ship ready to fly
(I'm alive, I'm alive, I'm alive, I'm alive)
Man, oh man, I feel alive
