

## Selfie

The Soil

Take a selfie with me...

Take a selfie with me

Take a selfie with me

Take a selfie with me

Chumasande baby please take a selfie with me

No one else but me

I want the world to see that you define beauty

Where's my phone I'm ready, come [?] baby, this time I'll keep  
my hand steady

Take a selfie with me (take a selfie with me)...

Oh yeah, smile and be marry come through come here a stand with  
me, let's take a selfie

Oh cause it don't matter who you are, where you are, where you  
from, just take a selfie with me

Oh yeah, let's all come together as one whether you black or wh  
ite let's all have some fun

All the lover's and friends, cousins, uncles and grans

Take a selfie, take a selfie, oh take selfie with me

Take a selfie with me (take a selfie with me)...

That's isitobe nami...

Firstly you make me smile (oh yes you make me smile)

Secondly you make me laugh (oh yes you make me laugh)

And it feels so good, I tell you that it feels so good

Listen to me when I say to you I love when you look at me

I love when you dance with me

I love when you take that selfie with me

Take a selfie with me (take a selfie with me)...

Why don't you take a selfie...

Take a selfie with me (take a selfie with me)...

Why don't you take a selfie...
