

Slowly let go  
Take your time  
I'll be there when you fall in love

A moment of lust  
May lead to a lifetime of broken trust  
Future is in your past  
Your future is tainted by your past  
Please let me go if you must  
But please don't let me go  
Let me win your trust

Fall in love  
Fall in love with me again

I've learnt my lesson  
I've had my ups and downs  
But given chance I'll make it all right  
Because I've never loved like this before  
I've learnt my lesson  
I've had my ups and downs  
But given chance I'll make it all right  
Because I've never loved like this before

Fall in love  
Fall in love with me again

Buya buya  
Amaphuth'ayayenzeka  
Ngeke ngvum' ukulahlwa nguwe  
Ngeke ngvum' uk'lahlekelwa nguwe  
Khumbula khumbula  
Khumbul' iinhlelo zethu  
Wen'ungubaba wengane zami  
Ngeke ngvume, ngeke ngvume

Fall in love  
Fall in love with me again
