

High Time

The Sonics

Well it's high time
It's high time
High time
High time

Well, it's high time baby
... (?)
You better get your feet right now right (?) off the ground
I thank you oughta pay me all attention
You know if you're gonna ... (?)

High time
High time

Well it's high time, child
You should do what you should
I've been checking around to find you ain't been good
You know I need your loving oh so good (?)
So don't run around ... (?)

High time
High time
High time

You know it hurts me
To get put down
You know it hurts me, child
To get put down
Come on now baby
It's getting late (?)
Come on now baby
Life (?) just can't wait

High time
High time
High time
