

Leaving Here

The Sonics

Hey fellas have you heard the news
Oh these girls are tired of being misused
I seen it all in a dream last night
They're leaving this town 'cause we don't treat 'em right

They're leaving here
They're going two by two
They're leaving here
They're going two by two, babe

Someday someday and it won't be long
These girls will be singing a happy song
Two fine women is a wonderful thing
But the way we treat 'em is a crying shame
Woah!

Leaving two by two
I said they're leaving here yeah
Leaving two by two

-- Instrumental --

You fellas gonna change your ways
They'll be leaving this town in a matter of days
Well the girls all think we ought to treat 'em true
Seen fellas running 'round with someone new

They're leaving here
Leaving two by two
Well they're leaving here yeah
Leaving two by two

Someday someday and it won't be long
Well all of these true, fine girls will be gone
I seen it all in a dream last night
They'll be leaving this town 'cause we don't treat 'em right

Oh!

They'll be leaving
Leaving two by two
Leaving two by two
Yeah! -
