

Lucille
You won't do your sister's will
Lucille
You won't do your sister's will
You ran off and left
But I love you still

Lucille
Please come back where you belong
Lucille
Please come back where you belong
I'll be good to you, baby
And please don't leave me alone

I woke up this morning
Lucille was not in sight
I asked my friends about her
But all their lips was tied
Lucille
Please come back where you belong
I'll be good to you, baby
And please don't leave me alone

I woke up this morning
Lucille was not in sight
I asked my friends about her
But all their lips was tied
Lucille
Please come back where you belong
I'll be good to you, baby
And please don't leave me alone

Lucille, baby, satisfy my heart
Lucille, baby, satisfy my heart
I will play house with you baby
But can't stop a wonderful song
