

Maintaining My Cool

The Sonics

Well brought lots of bread baby, posing in my car
All the birds love me, they know I'm a star
I know where it's at, baby, in this here town
I'm what's happening, I can't be put down
I ain't no fool
Maintaining my cool

Watch me while, I got my own bag
(He's got his own bag)
Those who imitate me are just good drag
(He's got his own bag)
Ain't no fool
Maintaining my cool

Ooh give it to em baby
I like it like that
How sweet it is, yeah

Well, all I need is wine, women and song
(Wine, women and song)
The lovelies chase me all day long
(Wine, women and song)
Ain't no fool
Maintaining my cool

Ain't no fool
Maintaining my cool

Yeah, push it!
