

Psycho Go-Go

The Sonics

Baby, you're driving my crazy
I said baby, you're driving my crazy
The way you turn me on
Then you shot me down
Well, tell me baby
Am i just your clown

Psycho!!

Baby, you're driving my crazy
I said i'm losing my mind
You treat me so unkind

Psycho!!

Solo

Baby, you're driving my crazy
I'm going out of my head
Now i wish i was dead

Psycho!!

Baby, you're driving my crazy
I'm going out of my head
Now i wish i was dead

Psycho!!

Psycho!!

Psycho!!

Psycho!!
