

Since I Fell for You

The Sonics

You made me leave my happy home
Now, i'll always have to roam.
Since i fell for you
Love brings such misery and pain
I know i'll never be the same
Since i fell for you
You love me, then you snub me
But i, i don't know what to do.
You tell me that you love me
But what can i do, i'm still in love with you.
-organ solo-
You love me, then you snub me
But i, i don't know what to do.
You tell me that you love me
But what can i do, i'm still in love with you.
And i get the blues most every night
I know i'll never feel just right
Since i fell for you
Since i fell for you
Since i fell for you
