Friends tell me I am crazy  
That I'm wasting time with you  
You'll never be mine  
It's not the way I see it  
'Cause I feel you're already mine  
Whenever you're with me

People always talking 'bout your reputation  
I don't care about your other girls  
Just be good to me  
Friends are always telling me you're a user  
I don't care what you do to them  
Just be good to me

You may have many others  
But I know when you're with me  
You are all mine  
Friends seem to always listen  
To the bad things that you do  
You never do them to me

People always talking 'bout your reputation  
I don't care about them other girls  
Just be good to me  
Friends are always telling me you're a user  
I don't care what you do to them  
Just be good to me

Just be good to me

Life is a game of chances  
So I'll take my chance with you  
And you, I won't try to change  
We talk about it, and I'd  
Rather have a piece of you  
Than to have all of nothing

But just be good to me  
In the mornin'  
Just be good to me  
In the afternoon or evening, oh, yeah  
Just be good to me

I'm like the jealous type, I won't tie you down  
When you need me, I'll be around  
I'll be good to you, you'll be good to me  
And we'll be together, be together, ha

You never do them to me

(I love you so)  
(Be nice to me, be sweet to me)  
Just be good to me

(We won't worry)  
(No, don't worry 'bout what the people say)  
(We'll be good to each other)  
(Oh, each and every day)  
Just be good to me

(I'll be good to you)  
(You'll be good to me)  
(We will love each other, oh, yes, we will)  
Just be good to me

Just be good to me  
Just be good to me  
Just be good to me
