

## Brute Force

The Sound

When the talking's over  
New language speaks  
With a voice of authority  
Drowning out the weak  
You can feel like a fist  
You can talk like a gun  
You get some third degree, education  
You better get at it...

Brute force  
Brute force

When the talking's over  
A new language speaks  
With a crock of jackboots  
Stepping on the weak  
Something in their orders  
Which strikes up when you want some back  
If you wanna get you're own way  
There's one thing you can't lack  
A small question of...

Brute force

Brute force!  
Brute force!  
Brute force!  
Brute force!
