

# Possession

The Sound

There's a devil in me  
Trying to show his face  
There's a God in me  
Wants to put me in my place  
I've got to get a hold of myself  
I've got to be in possession

There's a war being waged  
That'll never be won  
It's the struggle for possession  
I've got to get a hold of myself  
I've got to be in possession  
And I've got to ask you  
What do you want from me?

You know the deeper you cut  
The less there's left of me  
I've got to get a hold of myself  
I've got to get a hold of myself  
I've got to be in possession
