

Living In Your Head

The Soundlovers

Look at me
I am going away
You can't stop me
I'm flying away
Coz I know
You don't love me no more
You can't hurt me
Not anymore

Look at me
I am going away
You can't stop me
I'm flying away
But I know
I will be in your head
Everytime
Until you will go mad

I'm the voice in your head
Everyday I will be there
If you cannot stand it,
I don't care
I'm the voice in your head
Everyday I will be there
Coz I'm living,
Living in your head-ead-ead
