

Wonderful Life

The Soundlovers

If you will be strong
It's better for you
I will be strong
And I live without you
There's not be wait
To live without ride
You find the way
Just be about my side
Uhoohuoh... don't let me know
Uhoohuoh... I will be strong
Uhoohuoh... don't let me why
I live my life
Wonderful life

Don't be afraid
You givin' a try
I'm not afraid
No learn out of fly
You will alone
Give up over your self
You will alone
But livin' in your self
Uhoohuoh... don't let me know
Uhoohuoh... I will be strong
Uhoohuoh... don't let me why
I live my life
Wonderful life

Please me won't your soul
Let me go
I will love your soul
Let me know
Please me won't your soul
Let me go
I will love your soul
Let me know
Uhoohuoh... don't let me know
Uhoohuoh... I will be strong
Uhoohuoh... don't let me why
I live my life
