

# Bonnie and Clyde

## The Sounds

Maybe I should just confess  
Baby I'm a bloody mess  
Don't know where to begin  
It used to be all happiness  
But now it feels like loneliness  
Don't know where it went wrong

I'm down for two that's what I do  
Break the rules to get with you  
But this time I don't know if I should  
We've played the game the game of shame  
Looking back we're both to blame  
Can I do it one more time for you

Remember when we use to drive  
Flashing lights like Bonnie and Clyde  
Rebel love rebel love  
The two of us so wild at heart  
Looking for a brand new start  
Rebel love rebel love

If only we could be strangers again  
If only we could be strangers again

What about you and I  
Take some time to make it right  
Let me show you what I mean  
Unbeatable incredible  
I think of you but most of all  
It was a crew of me and you

I'm down for two that's what I do  
Break the rules to get with you  
But this time I don't know if I should  
We've played the game the game of shame  
Looking back we're both to blame  
Can I do it one more time for you

Remember when we use to drive  
Flashing lights like Bonnie and Clyde  
Rebel love rebel love  
The two of us so wild at heart  
Looking for a brand new start  
Rebel love rebel love

If only we could be strangers again  
If only we could be strangers again

Ooh  
We are runaways together we belong  
Forever and a day  
Ooh  
We keep running 'til we see the end of night  
(Keep running keep running)  
And wait for a brighter day

Remember when we use to drive

Flashing lights like Bonnie and Clyde  
Rebel love rebel love  
The two of us so wild at heart  
Looking for a brand new start  
Rebel love rebel love

If only we could be strangers again  
If only we could be strangers again
