

Shake Shake Shake

The Sounds

You're travelling along an empty highway.
How long will it last?
Whatever happened to that fire baby?
You're burning out too fast?

There's something in your voice that's telling me
You don't care, anyway
There's something in your eyes that's telling me
How you long, to belong.

You've got to change your way
You've been down this road before
You better change your way and get out,
Out on the floor!

You got to Shake Shake Shake!
Shake! Shake! Shake! Shake!
With somebody like me! Yeah!
You got to Shake Shake Shake!
Shake! Shake! Shake! Shake!
With somebody like me! Yeah!

Try to walk a mile in my shoes baby
And you will know
If you have what it takes to make it
In the 21st Century show

You've got to change your way
You've been down, this road before
You better change your way, and get out,
Out on the floor!

You got to Shake Shake Shake!
Shake! Shake! Shake! Shake!
With somebody like me! Yeah!
You got to Shake Shake Shake!
Shake! Shake! Shake! Shake!
With somebody like me! Yeah!
You got to Shake Shake Shake!
Shake! Shake! Shake! Shake!
With somebody like me! Yeah!
You got to Shake Shake Shake!
Shake! Shake! Shake! Shake!
With somebody like me! Yeah!

You got to Shake Shake Shake!
Shake! Shake! Shake! Shake!
With somebody like me! Yeah!
You got to Shake Shake Shake!
Shake! Shake! Shake! Shake!
With somebody like me! Yeah!
You got to Shake Shake Shake!
Shake! Shake! Shake! Shake!
With somebody like me! Yeah!
You got to Shake Shake Shake!
Shake! Shake! Shake! Shake!
With somebody like me! Yeah!

Yeah!

Somebody!

Somebody!

Somebody!

Somebody! Like me! Yeah!

Somebody! Like me! Yeah!

Hey! Hey!

Shake! Shake! Shake! Shake!
