

## Stay Free

The Sounds

You wanna know what you mean to me  
I know you're not who you seem to be  
You're the epitome of mediocrity  
And I can't stand to watch it  
As you go on  
Telling your lies  
Oh oh oh

Maybe it's only a game to you  
Maybe it's only the same to you  
I don't know what to do  
I'm not in love with you  
And I don't wanna spend my life in chains  
As long as I'm still standing up  
As long as I still breathe

I'm gonna stay free  
I'm gonna stay free

I wanna meet you eye to eye  
To set things straight and to clarify  
I am the opposite of your twisted mind  
And I just want to stay free  
And be on my own  
Without your lies  
Oooh oooh oooh

Maybe it's only a game to you  
Maybe it's only the same to you  
I don't know what to do  
I'm not in love with you  
And I don't wanna spend my life in chains  
As long as I'm still standing up  
As long as I still breathe

I'm gonna stay free  
I'm gonna stay free  
I'm gonna stay free
