

Wish You Were Here

The Sounds

I remember the first time that I saw you
Thinking one day we'll be the lucky two
I look at you and your beautiful hair
Give me your hand and we'll go somewhere

I would take you down the city for a ride
Spend the night together by the river on the west side

Wish you were here
I wish you were here
Wish you were
I wish you were here

If I knew then what I know now
And then one day we would say goodbye
So many things that we left unsaid
Remember your naked back on my bed

I would take you down the city for a ride
Spend the night together by the river on the west side

Wish you were here
I wish you were here
Wish you were here
I wish you were here

Mmmm?

Mmmm?

I would take you down the city for a ride
Spend the night together by the river on the west side

Wish you were here
I wish you were here
Wish you were here
I wish you were here
