Thinking Of You

The Soviettes

Sometimes I look at you
Making five out of two and two
And I wonder how far will you go
Across this frequent mile
My heart breaks and I force a smile
How I love you, you will never know
And if you find it, what you're looking for,
How will you know? (I'm thinkin' how will you know?)
And when I'm dying, could I have loved you more?
Can I let you go?

I'm thinking, thinking, thinking, thinking
I'm always thinking of you
Where will you go?
I'm thinking, thinking, thinking, thinking
I'm always thinking of you
Where will you go?

It hurts to be so close
To such pain, and so much hope
You're too young to be so broken
And so we spend each day
Our eyes meet and we look away
Some things are too bad to be spoken
And if you find it, this heart you're looking for,
(Will you go alone?)
Will you go alone?
Can you rise up, and keep looking forward?
(And still have hope?)
Will you still have hope?

I'm thinking, thinking, thinking, thinking
I'm always thinking of you
Where will you go?
I'm thinking, thinking, thinking, thinking
I'm always thinking of you
Where will you go?

I'm thinking, thinking, thinking, thinking
I'm always thinking of you
Where will you go?
I'm thinking, thinking, thinking, thinking
I'm always thinking of you
Where will you go?
