

What Did I Do?!

The Soviettes

Dropped my keys and fell through the back door
I set some records then I hit the floor
I didn't know which way to go
Turned over on the hardwood floor
Another bruise ya it's a quarter to four
What do I know? Do I know?
I think I'm sure that I picked up the phone
Surprised you answered, but you're always alone
I know, I know
And what did I do?
I know I dialed you
What did I do?
I'm fucked up, laid it on the line
I'm sure I told you that I love you this time
What were your words?
My head hurts
Held the bowl when I woke up
Am I your girlfriend or did we break up?
And what did I do?
I know I dialed you
What did I do?
