

## Another Day

The Spencer Davis Group

If we should have to stay  
And wait another day  
Another check to sign  
Another bill to pay  
And now we can't delay  
There's no more games to play  
The writing's on the wall  
Feeling my future fall

But if at times you feel  
You're fooling around  
I want you to know  
I won't let you down

Right now, we're going strong  
And nothing can go wrong  
Unless the world decides  
They didn't like our song  
And if the story goes  
The way the papers show  
There's no need for despair  
We will soon be there

But if at times you feel  
You're fooling around  
I want you to know  
I won't let you down

But if at times you feel  
You're fooling around  
I want you to know  
I won't let you down

If we should have to stay  
And wait another day  
Another check to sign  
Another bill to pay  
And now we can't delay  
There's no more games to play  
The writing's on the wall  
Feeling my future fall
