

# Catch You On The Rebop

The Spencer Davis Group

Early one morning  
Without warning  
She hung up my blue suede shoes  
I started to choke  
On my rent 'cause we're broke  
And I knew then it was all mine to pay

Catch you on the rebop  
Catch you on the rebop  
Catch you on the rebop  
Catch you on the rebop

The rebop machine  
I still haven't seen  
And my woman has walked off as well  
I tried to get back  
In my pink Cadillac  
But my wheels had been taken away

Think of the cost  
All my gear had been lost  
And it's a crime that there's still some to pay  
So I got myself ready  
My life as a Teddy  
Was over and look at me now

Catch you on the rebop  
Catch you on the rebop  
Catch you on the rebop  
Catch you on the rebop

(Hey! Hey!)  
(Hey! Hey!)  
(Hey! Hey!)  
(Hey! Hey!)  
(Hey!)
