I Can't Stand It

The Spencer Davis Group

```
I can't stand the pain of love When you get all the love I can't stand the pain of life I can't even stand the shock. But when I hear you say That you will go away And leave me someday
```

```
I can't stand it
I can't stand it
I can't stand it
I can't stand it
```

When you stand close to me You makes me kind of weak And when you hold me tight My poor heart skips a beat And when I hear you say That you will go away And leave me someday

```
I can't stand it
I can't stand it
I can't stand it
I can't stand it
```

When you're standin' close to me
You make me kinda weak
And when you hold me tight
My poor heart skips a beat
And when I hear you say
That you will go away
And leave me someday

```
I can't stand it
```
