

## Picture of Heaven

The Spencer Davis Group

Picture Heaven, if you will  
But take whatever I'm offering you  
Things will look brighter over the hill  
Don't look so doubtful, it's perfectly true

I can give you gifts of gold  
Money and diamonds  
Everything I own's been sold  
From my car to my house  
And my grandfather's gun

Picture Heaven, if you will  
Make the best of whatever you get  
Marrying's a gamble, depends how you feel  
But our love will make it a sure-fire bet

For years, I've worked for the good life  
To save and plan for the future  
Then I found someone else in bed with my wife  
Then my picture of Heaven had gone

Picture Heaven, if you will  
But take whatever I'm offering you  
Things will look brighter over the hill  
Don't look so doubtful, it's perfectly true
