

Cupid

The Spinners

Cupid - Cupid
Draw back your bow
And let
your arrow go
Straight to
my lover's heart for me
Nobody but me.

Cupid
Please hear my cry
And let
your arrow fly
Straight to
My lover's heart for me
(straight to my lover's heart)

Now I don't mean to bother you
but I'm in distress
There's danger of me losing
all of my happiness
For I love a girl
who doesn't know I exist
And this you can fix

So, Cupid
Draw back your bow
And let
your arrow go
Straight to
my lover's heart for me
Nobody but me

Cupid
Please hear my cry
And let
your arrow fly
Straight to
My lover's heart for me
(straight to my lover's heart)

Now cupid if your arrow
makes her love strong for me
I promise I will love her
until eternity
I know between the two of us
her heart we can steal
Help me if you will

So, Cupid
Draw back your bow
And let
your arrow go
Straight to
my lover's heart for me
Nobody but me

Cupid
Please hear my cry
And let
your arrow fly
Straight to
My lover's heart for me
(straight to my lover's heart)

Don't you hear me callin'
(Cupid)
My tears keep fallin'
(Cupid)
I gotta have a lot of nana
(Cupid)

Look, I've loved you for a long time
Now it's time to make you my baby
I've loved you for a long time
Now it's time to make you my baby

I look at you
(You turn away)
I say to you
(please look my way)
But you say to me
(leave it alone)
And I say
I can't live without you

Hey I've loved you for a long time
Now it's time to make you my baby
I've loved you for a long time
Now it's time to make you my baby

Girl didn't you know that
(my love's for you)
And it hurts me so bad
(I'm telling you)
Come and look all you want
(Try it again)
Can't you see
I can't live without you

I've loved you for a long time
Now it's time to make you my baby
I've loved you for a long time
Now it's time to make you my baby
Make you my baby

Cupid
Draw back your bow
And let
your arrow go
Straight to
my lover's heart for me

Hear me callin'
(Cupid)
Hear the love's getting stronger
(Cupid)
All I got to do is callin' louder
(Cupid)

Oh, Cupid
(Cupid)
Ohh Cupid
(Cupid...)
