

For All We Know

The Spinners

Sweetheart, the night is growing old
And our love is still untold
And every kiss that's never tasted
Forever, and ever, is wasted

For all we know
We may never meet again
Before you go
Make this moment sweet again
We won't say goodnight
Until the last minute
I'll hold out my hand
My heart will be in it

For all we know
This might only be a dream
For all we come and we go
Like the ripples in a stream
So baby, love me, love me tonight
Tomorrow was made for some
But tomorrow may never come
For all we know
For all we know

For all we know
We may never meet again (For all we know)
For all we know
We may never meet again
Make this moment sweet again
We won't say goodnight
I'll hold out my hand
You said my heart will be in it
For all we know
This might only be a dream
For all we come and we go
Like the ripples in a stream
So love me tonight
Tomorrow was made for some
But tomorrow may never come
For all we know
For all we know

For all we know
For all we know
For all we know
