

# Funny How Time Slips Away

The Spinners

Well, hello there  
My, it's been a long, long time  
How am I doin'  
Whoa, I guess that I'm doin' fine

It's been so long now  
But it seems like it was only yesterday  
Ain't it funny, it's so funny  
How time can slip right on away, mmm...

How's your new love  
Whoa, I hope he's doin' fine  
I heard you told him  
That you were gonna love him till the end of time

Oh, that's the same thing that you told me  
It seems like just the other day  
Ain't it funny, it's so funny  
How time can slip right away

I've gotta go now  
Whoa, I guess I'll see you somewhere around  
But you never can tell, you never can tell, you never can tell  
When I'll be back in town

Whoa, whoa, please remember what I told you  
In time you're gonna pay  
Ain't it funny, so funny  
How time slips away
