

# It Hurts To Be In Love

The Spinners

Don't you know that it hurts (Hurts)  
Don't you know that it hurts (Hurts)  
To be in love  
Oh, sweet, sweet love  
Oh baby, yes it hurts (Hurts)

When I see you walkin', walkin'  
With another guy  
Even when you're talkin', talkin'  
I wanna cry  
Cry, cry, cry  
'Cause it hurts (Hurts)

Between loving you and leaving you  
I can't decide  
'Cause leaving you would make me blue  
And loving you just gives my pride (My pride)  
My pride (My pride)  
My pride (My pride)  
Yeah, yeah, yeah, yeah, yeah

Even when I'm kissin' you, kissin' you  
It thrills me so  
And I get to missin' you, missin' you  
Before you go  
Go, go, go

'Cause it hurts (Hurts)  
Don't you know that it hurts (Hurts)  
To be in love  
To be in love  
Oh, sweet, sweet love  
Oh baby, yes it hurts (Hurts, hurts)

Now don't you know that it hurts (Hurts, hurts)  
Tryin' to tell you that it hurts (Hurts, hurts)  
To be in love  
Oh, sweet, sweet love

Don't you know that it hurts (Hurts, hurts)  
It makes me wanna cry (Hurts, hurts)  
That's what is being in love
