

# Heaven's Light Is Shining On Me

The Stanley Brothers

Some have mothers who are gone are gone  
Some have mothers who are gone are gone  
Way up yonder in that new bright world  
Oh the heaven light is shining on me

Oh the heaven light is shining (yes it's) shining on me  
Oh the heaven light is shining (yes it's) shining on me  
Way up yonder in that new bright world  
Oh the heaven light is shining on me

Some have fathers,... brothers,... children,... (etc.)
