

## Wait A Little Longer

The Stanley Brothers

On cruel Calvary where He suffered  
There He died upon the cross  
That we might be saved, my brother  
Freed from sin and not be lost  
Will He wait a little longer  
There's so many out in sin  
Will He wait a little longer  
Give us time to gather in  
A vision of that mangled body  
I can see the nail-scarred hands  
When He calls, me way up yonder  
I will hear and understand  
Will He wait a little longer  
There's so many out in sin  
Will He wait a little longer  
Give us time to gather in  
Many loved ones gone before me  
They've made [Incomprehensible] day  
But should He call before they're ready  
I can almost hear them say  
Will He wait a little longer  
There's so many out in sin  
Will He wait a little longer  
Give us time to gather in  
Give us time to gather in  
Give us time to gather in  
Give us time to gather in
