

# Showdown

The Staple Singers

I cried to the southern wind  
'Bout a love that was sure to end  
Every dream in my heart was gone  
Headin' for a showdown (Headin' for a showdown)  
Bad dream, what's your name?  
Looks like we're ridin' on the same train  
If you don't, there'll be more pain  
Headin' for a showdown (Headin' for a showdown)

And it's raining all over the world  
Raining all over the world

He came to me like a friend  
He flew in on the southern wind  
Now my heart is trying to start again  
Gonna be a showdown (Gonna be a showdown)  
Save me, oh save me (Save me, Lord)  
It hurts, the way you're suffering  
Gonna be a showdown (Gonna be a showdown)

And it's raining all over the world  
Raining all over the world

(Don't you know) Don't you know  
That there's gonna be a showdown?  
(Gonna be a showdown)  
(Don't you know) Don't you know  
That there's gonna be a showdown?  
(Gonna be a showdown)

And it's raining all over the world  
Raining all over the world  
Tonight, the longest night

Raining all over the world  
It's raining all over the world  
Woo, oh

(Rainin', rainin', there's gonna be a showdown)  
(Rainin', rainin', there's gonna be a showdown)  
(Rainin', rainin', there's gonna be a showdown)  
(Rainin', rainin', there's gonna be a showdown)  
(Rainin', rainin', there's gonna be a showdown)  
(Rainin', rainin', there's gonna be a showdown)  
(Rainin', rainin', there's gonna be a showdown)  
(Rainin', rainin', there's gonna be a showdown)...
