Photography

The Starting Line

I've never been so happy to see a photograph of me then when graced with your company. You're making a small change to the way that you wear your heart. I like it better...I like it... I like it better now

I'll swing from a streetlight
as I will sing oh, oh, oh
I'm stuck in the meantime
but we're so oh, oh, oh close

The sunlight's overwhelming the scene that's composed of you and me in our finest moment. An amazing illusion was made with trick photography it seems like you're really...you're really... it seems like you're really here.

I'll swing from a streetlight as I will sing oh, oh, oh And I'm stuck in the meantime but we're so oh, oh, oh close

I'll swing from a streetlight and sing oh, oh, oh And I'm stuck in the meantime but we're so oh, oh, oh close we're so close we're so close

I'll swing from a streetlight as I will sing oh, oh, oh And I'm stuck in the meantime but we're so oh, oh, oh close

I'm grilled by a spotlight And sing oh, oh, oh we're still in the meantime but we're oh so, oh so close.

Yeah we're oh so, oh so close, yeah we're oh so, oh so...

I'll swing from a streetlight as I will sing oh, oh, oh I sing oh, oh, oh I sing oh, oh, oh
