

## Here We Are Again

The Statler Brothers

Well, here we are again  
The same old shape we're in  
Are we in love again?  
Or have we always been?

Did we learn nothing new  
From all that we went through?  
Or was it worth the same  
To do again?

Did you find someone who  
Made you forget the past?  
Or anything you thought  
Might have a chance to last?

So here we are again  
Ain't we a sight again  
Is this a dream we're in?  
Or is it love?

Did you find someone who  
Made you forget the past?  
Or anything you thought  
Might have a chance to last?

So here we are again  
Ain't we a sight again?  
Is this a dream we're in?  
Or is it love?  
Well, here we are again
