

# No One Will Ever Know

The Statler Brothers

No one will ever know the truth but me  
No one will ever know my heart is breaking although a million t  
eardrops start to flow  
I'll cry myself to sleep and wake up smiling I'll miss you but  
no one will ever know  
I'll tell them we grew tired of each other and realize our drea  
ms could never be  
I'll even make believe I never loved you then no one will ever  
know the truth but me  
No one will ever know how much I'm pining  
Each time the past comes back to haunt me so  
No one will ever see the tears I'm hiding you've hurt me but no  
one will ever know  
I'll tell them I've found true love with another  
That I was glad the day you set me free  
I'll even make believe I never loved you then no one will ever  
know the truth but me  
No one will ever know the truth but me
