

Release Me

The Statler Brothers

Oh please release me and let me love again
Please release me let me go I don't love you anymore
To waste our lives would be a sin release and let me love again
I have found a new love dear and I will always want her near
Her lips are warm while yours are cold release me my darling let me go
Please release me let me go...

Oh please release me let me go can't you see you'd be a fool to
cling to me
To live a lie would bring us pain so release me and let me love
again
Release me and let me love again
