

She Thinks I Still Care

The Statler Brothers

She thinks I still care
Just because I asked a friend about her just because I spoke her name somewhere
Just because I rang her number by mistake today she thinks I still care
Just because I haunt the same old places where the memory of her lingers everywhere
Just because I'm not the happy guy I used to be she thinks I still care
And if she's happy thinking I still need her then let that silly notion bring her cheer
Oh how could she ever be so foolish tell me where did she get such an idea
Just because I asked a friend about her just because I spoke her name somewhere
Just because I saw her then went all to pieces she thinks I still care
How could she think I still care
