

## Song Of David

The Statler Brothers

David, son of Jesse  
Shepherd to his fathers sheep  
Played the harp when Saul got weary  
Rocked the giant till he was fast asleep

People prayed when Saul killed thousands  
When David killed ten thousand, they cheered  
And all that noise they saw angry  
And the shepherd was on the lamb for years

David was a man down in Israel  
Fighter, lover, shepherd, king, outlaw  
And through it all God loved him and forgave him  
David, the man who'd done it all

Bathsheba wife of Uriah  
Took a bath under David's watchful eye  
He fell in love and took her body  
Then he sent Uriah out to die

He was weak, like you and I are  
And as a sinner David did his part  
But God said, "This man David  
Is a man after My own heart"

David was a man down in Israel  
Fighter, lover, shepherd, king, outlaw  
And through it all God loved him and forgave him  
David, the man who'd done it all  
Ah David, the man who'd done it all
