

## Roses

## The Staves

Take it from me now  
Be what I will be  
Take it from me now  
Don't tell me

I don't want to know  
I don't want to know  
God I miss the snow  
I don't want to know

Am I in fear  
Am I in doubt  
Carry it within  
Carry on without  
If you could see me now  
I swear you'd change your mind  
Keep it all for me  
Just keep me in your mind

I don't want to know  
I don't want to know  
God I miss the snow  
I don't want to know

I swear this rosy wind  
Will carry me away  
I swear to stamp my feet  
and I swear I'll never pray

I don't want to know  
I don't want to know  
God I miss the snow  
I don't want to know  
I swear this rosy wind  
Carry me away  
I swear to stamp my feet  
and I swear I'll never pray

Keep it with me now  
On the wooden floor  
Like a jail bird  
Looking at me now

I don't want to know  
I don't want to know  
God I miss the snow  
I don't want to  
I don't want to  
I don't want to know

I don't want to know

Did you ask me  
Did you ask me why  
Did you ask me why  
I don't want to know  
I don't want to know
