

Something's on Your Mind

The Staves

Yesterday any way you made it was just fine
So you turned your days into night time
Didn't you know, you can't make it without ever even trying?
And something's on your mind, isn't it?

Let these times show you that you're breaking up the lines
Leaving all your dreams too far behind
Didn't you see, you can't make it without ever even trying?
And something's on your mind

Maybe another day you'll feel another way, you can't stop cryin
g
You haven't got a thing to say, you feel you wanna run away
There's no use trying, anyway
I've seen the writing on the wall
Who cannot maintain will always fall
Didn't you know, you can't make it without ever even trying?
And something's on your mind, isn't it? Isn't it?

Oh, something's on your mind (Something's on your mind)
Tell the truth now
Oh, something's on your mind, isn't it? Isn't it? Isn't it?
Ah-ah, ah-ah, ah-ah, ah-ah
Ah-ah, ah-ah, ah-ah, ah-ah
