

## The Way Is Read

### The Staves

All ahead  
Running too hard  
Running too hard  
The way is read

All ahead  
Running too hard  
Running too hard  
The way is read

I see you in the silence  
Sailors on a frozen sea  
Heaven's arms to sunder me  
Falling on the night  
Sailors on a frozen sea  
Away, away, away

Under the starry sight  
Under the wayward night  
Under the Northern Lights

All ahead  
Running too hard  
Running too hard  
The way is read

All ahead  
Running too hard  
Running too hard  
The way is read

I see you in the silence  
Sailors on a frozen sea  
Heaven's arms to sunder me  
Falling on the night  
Sailors on a frozen sea  
Away, away, away

Under the starry sight  
Under the wayward night  
Under the Northern Lights
