

## Symptom Of The Universe

The Stone

Take me through the centuries to supersonic years  
Electrifying enemy is drowning in his tears  
All I have to give you is a love that never dies  
The symptom of the universe is written in your eyes!

Yeah! x2

Mother Moon, she's calling me back to her silver womb  
Father of Creation takes me from my stolen tomb  
Seventh Advent unicorn is waiting in the skies  
A symptom of the universe - a love that never dies!

Yeah x2

Take my hand my child of love, come step inside my tears  
Swim the magic ocean I've been crying all these years  
With our love we'll ride away into eternal skies,  
A symptom of the universe, a love that never dies!

Yeah x2

Woman - child of love's creation,  
Come and step inside my dreams,  
In your eyes I see no sadness,  
You are all that loving means ,  
Take my hand and we'll go riding  
Through the sunshine from above,  
We'll find happiness together  
In the summer skies of love!
