

Run Away Heart

The Strange Familiar

Hold on so tight, but I have to let go
It hurts to send you out there on your own
You can't stay here anymore
You've outgrown this place
I can see it on your face

Run away heart
Keep on running
Keep on running
Run away heart
Don't you ever worry about me
Run away my heart
And don't you ever look back
Cause you're gonna go far

You'll never fly if I'm holding you back
Be more than me, there is nothing you lack
I'll count all the seconds you're gone
But I won't hold my breath
I know this is for the best

Run away heart
Keep on running
Keep on running
Run away heart
Don't you ever worry about me
Run away my heart
And don't you ever look back
Cause you're gonna go far
You're gonna go far

Oh you're gonna go far

Run away heart
Keep on running
Keep on running
Run away heart
Don't you ever worry about me
Run away my heart
And don't you ever look back
