The Streets

Intro

(Had to empty my mind)
(Now I'm F R double E)
(Gave too much of my time)
(Now I'm F R double E)
(Couldn't keep you close)
(I had to let you go)
Had to empty my mind
Now I'm F R double E
Gave too much of my time
Now I'm F R double E
Couldn't keep you close
I had to let you go

Verse 1

They say good things come in threes
Things are better when they're free
People out here I can't please
I feel better doing me
Spend my days on the streets
Moving snow like I ski
Destined for the T O P
E M Z E M Z

Verse 2

She asked me why you so cold
It's better you don't know
But there's peace in my soul
All I need all I need
Everyone don't need to know
Not every story gets told
If you out here breaking code
Stay the fuck away from me

Verse 3

Streets taught me couple tings
You will get it how you live
Money can bring happiness
It's all about perspective
It's not all about the drip
Grow with your collective
Don't get being feared
Confused with being respected

Verse 4

Tried to talk to the gang
I got told to be a man
I been working on my self
Ever since, ever since
Ever since I was a yout
I felt like I didn't fit
If where your at ain't for you
You'll find somewhere that is

Chorus

Had to empty my mind
Now I'm F R double E

Gave too much of my time
Now I'm F R double E
Couldn't keep you close
I had to let you go
Had to empty my mind
Now I'm F R double E
Gave too much of my time
Now I'm F R double E
Couldn't keep you close
I had to let you go

Verse 5

Life is short but it's the longest thing that you'll ever do
Some times the hardest thing to do is what you need to
Don't let no one invalidate what your going through
Don't be a fool work on making your life comfortable

Verse 6

Everyday we make gwap
Bought a whip, bought a watch
No matter how I spend my change
Inside I won't ever change
If you're real you feel the vibes
We don't need to explain
If it ain't then it ain't
We don't force we don't claim

Verse 7

How you think your gonna grow if you always shift the blame
You think it's real clout but your tarnishing your name you
You ain't gotta say it cos you thought it in your brain
Think they rapping cos they rhyming
Me 'n' dem we ain't the same

Verse 8

They say good things come in threes
Things are better when they're free
People out here I can't please
I feel better doing me
Spend my days on the streets
Moving snow like I ski
Destined for the T O P
E M Z E M Z
Spoken word: Verse 9
Ya see this life ting?
The way I see it
It's all about perspective
Don't let nobody mash up your head with theirs
Free yo ya mind
Free up ya life
Ya know what I mean

Chorus

Had to empty my mind
Now I'm F R double E
Gave too much of my time
Now I'm F R double E
Couldn't keep you close
I had to let you go
