Can't remember anything apart from her
Sore from my head to my belt
Are you tryna get even with the people who hurt you
Or with the people who helped?

Incoming call to your phone right now
Jump in the pool with your landline
You call me when you're bored, no you can't help it
You call me when you're bored, yeah, yeah

Can't remember anything apart from her
Sore from my head to my belt
Are you tryna get even with the people who hurt you
Or with the people who helped?

I say boo-hoo in my head
You never cheated on me, but you knew who was next
If she likes you then you'll know
If she don't, you'll feel confused in your texts
Oi, two hundr' on her drink with steak
Oi, snake sheds their skin to become a bigger snake
Oi, walk past all the benches in the dark
I talk to myself and we both laugh

You won't get the job, you get what you pay for
But when you get what you prayed for, don't forget God
Or what God is, I am a God
I can turn wine into vomit
Making your facts fit the story in the caption
Newton liked them thick as fuck but he didn't say that
He said "The greater the mass, the greater the force of attraction"
None of us will win if I fucking have to fight you
When you die of cancer, the cancer dies too

Can't remember anything apart from her
